### **HIGH-QUALITY CURRICULUMS ALIGNED TO CALIFORNIA STANDARDS**

All Frog Street curriculums are aligned to the California Preschool and TK Curriculum Learning Foundations, as well as the Desired Results Developmental Profile (DRDP), and the Classroom Assessment Scoring System (CLASS) in Head Start. Frog Street is also aligned to the matrix of standards set by the California Quality Rating and Improvement System (QRIS).

## PRE-K AND TK CURRICULUM FOR CALIFORNIA SCHOOLS

Frog Street's Pre-K and TK programs enhance the learning experience through joyful play, social-emotional learning, and active engagement. STEAM activities are integrated into the curriculum, and we incorporate social-emotional development into each day with the Conscious Discipline® program. Acknowledging the individual needs of all learners, the program includes strategies for differentiated instruction, special needs adaptations, English language learners, and cultural responsiveness. Our curriculum is organized around nine thematic units, with a focus on literacy, math, science, social studies, social-emotional connections, STEAM, technology, assessment, and family engagement.

## BEST-IN-CLASS PROFESSIONAL DEVELOPMENT

In California and across the nation, teacher shortages are impacting early childhood education programs, even as schools expand preschool and TK programs. Frog Street's high quality Professional Development programs help teachers and administrators prepare for classroom success, with curriculum training and skill development courses that reinforce best practices grounded in current research.

- **Curriculum Trainings** include Implementation and Follow-Up Training, Train the Trainer and Coaching to ensure your Frog Street curriculum is followed with fidelity.
- **Skills Development** courses cover a wide range of topics, including language, physical development, classroom strategies, social-emotional skills, and more.
- **Delivery Formats** include Onsite, Virtual and On-Demand.
